

Andrea Torricelli

Dipartimento FIM
Università di Modena e Reggio Emilia
Modena, Italia

Telefono: +39 346 0907017
Email: andrea.torricelli@unipr.it

Istruzione

† *data prevista*

2020–2023 † Ph.D., Mathematics, University Modena and Reggio Emilia

2018–2020 M.Sc., Mathematics, University of Modena and Reggio Emilia

2014–2018 B.Sc., Mathematics, University of Modena and Reggio Emilia

Pubblicazioni

M. Eleuteri, L. Lussardi, A. Torricelli: "Asymptotic analysis of a family of non-local perimeter-like functionals", (2021), Preprint arXiv:2008.13110

A. Gentile, R. Giova, A. Torricelli: "Regularity results for bounded solutions of obstacle problems with non-standard growth conditions", (2021), Preprint arXiv:2110.09586

Poster

- [1] Andrea Torricelli (2021). Limits of Non-Local Anisotropic Perimeters. Poster session presented at "2021 Winterschool on Analysis and Applied Mathematics", University of Münster, Münster, Germany.
- [2] Andrea Torricelli (2021). Regularity results for solutions of autonomous obstacle problems with general growth conditions. Poster session presented at "Two days on Regularity Results for Variational Problems and PDEs", University of Modena and Reggio Emilia, Italy
